All,

Update of schedule for sand removal and replacement. I have sent the modification of ROE to Cid and we should be good to go. We will be removing all the sand on Monday, 4/17 and Tuesday, 4/18. Please set up delivery of sand for Wednesday, 4/19 at 8 am.

Thank You

Hi All,

Circling back.

Javier - can you please advise that you can deliver sand on the 4/12 or 4/13?

I am adding Renee on here, so that she can help coordinate with Chris/or put us in contact with him.

We should meet in advance to go over the logistics. Let's meet Monday, April 10th at 12:30 PM at Canyon School.

Hi Stacy,

That is great news! Good to hear they are on board to help.

We were set to meet at 12:30pm today, but since we are moving the date for a later time, we should schedule a meeting next week with RAP, Chris and yourself.

Javier, can you advise if 4/12 or 4/13 will work for sand delivery?

Dan, cc'd here, will assist with the homeless encampment. Is it in the park or on the sidewalk?

Thanks

Hello Stacy!
please confirm that you received the cost estimates for rodent trapping and baiting from City contractor,
CATS-USA that Anthony from my staff delivered yesterday.

Thank you!

Hello again Stacy!

it was a pleasure meeting with you last week regarding the on going rodent control efforts. We now have cost estimates from the City contracted vendor, CATS-USA, Keith Wilson.

Anthony Bagnerise from my staff will hand deliver the cost estimates to you this week.

Please contact me if you have any questions.

Thank you!
